Yes, I'm a control freak. I like to be on top. From the office to the bedroom, we play by my rules. I'll bust your balls, and then lick them, too!

In my sex life, I control the bedroom, but I know when to let the man dominate. If he's a good lover, we'll fuck all night and then do it again in the morning.

So far there isn't a sexual position I haven't tried – or liked. But I think my favorite is to sit on top of him so I can watch my man's eyes while I fuck him. Now that's hot!

I want to make love in the ocean. We'd get all lubed up and go in waist deep. I'd bend over so you could take me from behind and let the waves hit my breasts. We'd look out and see nothing but a deep blue sea.

Call me and tell you'd cum with me!

My perfect day would be a bagel and orange juice for breakfast, sex, nap an hour, sex, a long slow dinner, then sex.

So far, I've only had five perfect days.

I like my man to pamper me. Lots of flowers, nice gifts, a trip to the south of France. And I would pamper him too, nice clothes, hour-long blow jobs, hot three-way with my best friend, Michelle.

Hi guys, I just shaved my pussy for you and thought you might want to see it. It's really pretty, smooth and silky. I rubbed lotion all over it to soothe me. Cum, take a look and let me know what you think.

Yesterday I had a big hairy bush so thick I couldn't see my clit. I asked my girlfriend over to help me so she got out the scissors and trimmed most of it away. Then I lathered up and shaved myself really close so you could get close.

My girlfriend got into the shower with me and helped rinse me off. We had a hot fuck in the shower. I was so sensitive down there I came before the water drops hit the shower floor. Can you get me off that fast. Call me and tell me you can. I bet you can't.

Mae and Lucy

Lusty ladies love sexing each other

We love rainy days. When there is nothing to do, nothing good at the movies or on the telly, Mae and Lucy get together for some girl time. Dressing in their finest undies for each other and bringing an assortment of toys, they spend the day together, sexing for hours on end.

CHECK US OUT AT
30-40group.com

It all starts with some soft fondling and kissing. Much attention is paid to the breasts with each taking as long a turn as the other allows. Next comes the pussy licking with hot probing tongues and willing wet holes to accommodate them. Only then does the passion boil.

Mae is the ultimate pussy licker. She says she's been a lesbian her entire life and cannot remember the last dick she sucked. Lucy has had her share of men but ultimately prefers the taste of pussy juice to cum. Either way, these two like what each other has and enjoys it, too.

They readily admit that toys are a big part of their sexing. Each comes with an assortment of amped up vibes and big dildos ever-ready to please the other. Especially handy are the colored dildos with their soft-yet-hard rubber shafts that never wilt under pressure to perform.

Want to party with these two ladies. They'll tell you how so call now... over eighteen only please.

Gretta gets me wet

Dear 50+,

I picked up the last issue of 50+ at the newsstand and was not disappointed. Especially the photo shoot with that cutie – Gretta. I find a soaking wet woman in the shower the biggest turn on in the world. The sight of soap and water running down her body is really neat and very exciting.

They say some of your earliest memories are the one's that stick with you. When I was in my eighteenth summer, I was a camp counselor at a summer camp in the Adirondacks. The staff was a rowdy bunch and we had a 50 year old lady ranger as the head of it. She was stern but a lot of fun and knew how to handle the camp. There were a couple outdoor showers on the site for the staff and one early morning I was doing my chores when I saw her heading for the shower in her robe carrying her toiletries.

We passed each other on the path and I said good morning as I pretended to head back to the lodge. I turned around after she got into the shower and climbed a tree that I knew had a good view of the inside of the shower. I watched as she lathered up, starting with her nice breasts and working her way down. The water poured on from the top and down her naked body. I was hard sitting in the tree and looking around to be sure no one could see me, I pulled out my cock and started rubbing it as she washed. I could see all the way down to her knees from my vantage point and I watched as she lathered up her private parts and then rinsed them off. I finally finished jerking off just as she turned the water off and grabbed her towel off the door. I let my splooge fall to the ground and I zipped up and descended from my secret perch.

Ever since that morning at the summer camp, I have been attracted to not only wet and soapy women, but older women as well. That's why your pictorial of Gretta was so hot to me. Let's have some more!!!

Cutie Gretta is one soaking wet and sexy lady on the cover of 50+ #30. The readers checked out her sizzling shower scene and told us they got a bit wet themselves.

Flower power revisited

Dear 50+,

Last year my wife and I were vacationing in Palm Beach, Florida. I'm a retiree and she is in her mid-fifties. We were out to dinner with some snow bird friends and after a couple bottles of champagne we were all feeling a little tipsy and a little friendly. Kate and Al were old friends of ours in Boston and moved to Florida a few years ago to escape the cold. We have visited them a couple times and have always had fun. But this time it was going to be a little different. We went back to their place to play cards as usual, but this time Al suggests we play poker instead of bridge. We said fine and he broke out some more drinks with the cards. We played a couple hands and my wife Shelly won both of them. Then Kate suggests we play strip poker. Shelly and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands she felt confident.

I knew Al had eyes for Shelly, and I kinda had a hard-on for years for Kate, so I was all for it. We were all products of the "Free Love" hippie culture of the sixties, but had settled down into our comfy lives. Now with little to hold us back, so of that old excitement was returning. Kate dealt the first hand and Shelly won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had a T-shirt and boxers, Shelly was in her bra and panties, Al was just in boxers and Kate was in a red teddy.

It was now my deal. We were drinking and laughing as the bets were made. Al won and I dropped my shirt, Shelly her top, and Kate stood up and started a little dance as she began to undo the laces on her teddy. All of a sudden Shelly got up and started to help her. She reached down between Kate's legs and undid the snaps. The pulled the teddy up and off of Kate. Throwing it over to me, I caught it and twirled it around, egging the girls on. As Al and I looked on, they started kissing each other and Kate reached around and undid Shelly's bra and then pulled down her panties, throwing them to Al. She then gently pushed Shelly onto the table and grabbed her knees to spread them. She lowers her head into Shelly crotch and begins to lick her. Al three of us watch as Kate licks and sticks her fingers inside my wife's wet pussy.

By now Al and I were real horn dogs I get up first and position myself behind Kate. I drop my drawers and slip my cock inside her as she continues to lick Shelly. Al saunters over beside Shelly and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Al and I grab a couple of the wine glasses from the table and toast each other. Kate the stands up and pulls me out. She seats herself next to Shelly on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. He takes advantage of the change and moves around to drop between Shelly's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Al says he doesn't feel so good. We all ask if he's okay; he says yes and sits down. Shelly tells him to get up and lay down on the table. He does and she proceeds to rub him back to hard-dom. Her mouth works hard on his cock and he's finally hard again. I'm still fucking Kate and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the

table. Al seems to have made a miraculous recovery and Shelly brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum so Shelly and I are left to finish ourselves, but she says she's still real horny and wants to finish back at our hotel room. We quickly gather our stuff and drive the mile back to the room, jump into bed and fuck our heads off. In the morning we called our friends to see how they are. Kate says they are both fine and had a great time last night -- just like the sixties all over again. We agreed and said that we should do it again next time we come to Florida. They said the invitation is always open. I think we're going to plan another trip down here next month.

– Henry, Boston

Are you for real?

Hi to the editor,

My name is Jackie and I just came across your magazine at a friend's house. I kinda liked it, but it was a little weird looking at older women in the nude – because I'm one too. Older, that is. Can I assume that your reader's are older too? Because I love older men . They are usually more polite, and gentlemanly. And they'll buy me a nice dinner.

I just wanted to let your readers know that my name is Jackie and I live in Tuscon, Arizona. I'm 5'5" with curly brown hair. My measurements are 36D-24-36 and I'm of Mexican descent. I have big brown nipples on my tan breasts, and my shaved pussy always seems to be wet, and I have a big (and suckable) clit. I have a nice plump ass with a cute little puckered hole that loves to be licked. I love men, especially going down on a big, or not so big, hard cock. I love big mushroomy heads on them, too. I like titty-fucking and having sex in every position imaginable, but I especially like it doggy style so I can get the full length of cock inside me. I'm also really good with balls because I know how much men like to have them pulled and licked.

CANDICE LOVES A LONG HARD RIDE ON A RAD MOTORCYCLE.

If there is any man in Arizona that would like to treat a classy, pretty, 53 year-old lady to nice things, then would you please accept a letter from them and forward it to me? There is a picture of me enclosed. I'm the one if the low-cut red dress.

– Jackie, Tuscon

Dear Jackie, you leave us speechless. We had to read your letter a few times to be sure you said what you said. You sound like a firecracker, but why would you be writing to us to meet men? It seems that with your outgoing "personality" exhibited in the letter, men would be flocking to your door. The photo you enclosed is really nice and you are as pretty and sexy as your letter suggests. While we are not a dating service or running an escort business, if a letter or two comes our way asking about you, we'll be sure to get back in touch. Until then, please stay as horny as you are. – Ed.

Hey guys,

I loved Candice in the last issue. You got one more hot photo to share?

– Bryan, Los Angeles

If you have something to say to us, then go write ahead. You can send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

Regina

Thirty years ago I was a hot showgirl in Las Vegas. I've tried to maintain the body I worked so hard for throughout the years. I hope it shows in the photographs.

I had boyfriends and I had girlfriends. We were hot stuff having our little dancer orgies after performances. I hope to write a book on the secret lives of showgirls one day, but until then here's a look at what you didn't see at the shows.

I was very flexible back then and everyone called me "Flex." I would stand and bend down so far I could to get my head between my knees. Then one of my girlfriends would lick my pussy as I gave a blow job to one of the guys. We had a lot of fun back in those days.

Believe it or not, I can still do it and still like to have sex that way. There's a preview on the next page, but before you turn this one, why not call me and see if you would like to join us.

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

GORGEOUS GAMS

I've been a leg man my whole life. As a freshman in college I remember my first fascination with legs. By the time I was a senior I had fucked twenty coeds and loved all their forty legs. Now I'm in my late thirties and gorgeous gams just drive me nuts, I barely think about breasts and vaginas. It's all legs and toes.

I just love to suck toe. That's ten tiny delectable digits I can put in my mouth and work them with my tongue and suck on them as hard as I want because it rarely hurts the girl. The toes have to me nicely manicured and if she has just been to the salon, I can still smell the toenail polish and that is an even bigger turn on.

Now, because of my "fetish" I have to careful of who I try to sleep with. So, I tell all my potential partners right up front that I love toes and legs and you would be surprised how many are either into it or want to try it. Many of them say I'm the best lover they have ever had because I'm not all about boobs and pussies.

Since I rarely fuck a girl anymore, I like to have my cock massaged and masturbated by their feet. There's nothing lovelier than to see ten toes down there stroking my rod. And many times she'll be willing to stick her toe in my asshole more so than her fingers or tongue, so I can get that extra little favor, too.

So tell your readers that we leg men are out there and proud of what we like. We know how to please women and we know how they like it.

– Shel, Brooklyn

HOT STRUTS

I picked up your magazine with Serena on the cover a couple weeks ago and have looked at it several times. I was talking with a co-worker about one of the hot chick at the office and learned something new about fashion - the pencil skirt. For those who don't know, they are tight skirts that usually go below the knee and are tapered smaller towards the bottom. They give the wearer a long slender look and accentuate the butt and showcase the calf.

MONIKA
SUPER SEXY SIREN SAYS STOCKINGS ARE COOL
Serena
HOT LEGS AND A HARD BODY THAT JUST WON'T QUIT

Anyway, we were discussing Brenda, the hot chick, and we both commented on how great her legs looked in that skirt. She apparently has a few of them because she wears one almost every day. But one day she wore stockings with a black line down the back and I got really turned on. I had never thought much of women's legs, especially as a sexual turn on, but seeing her like that really did something to me. Now I fantasize about sleeping with stockinged women and stripping them down and out of that skirt.

While your magazine did not have any skirts in the issue I bought, it did have some great legs on some great looking women. The cover girl was really hot and I think now that I've become attracted to panty-hose. So keep up the good work and if you would put a pencil skirt in an issue or two that would be great, I wouldn't even mind if the was only one shot or two of it before she takes it off.

– Scott, Baltimore

Hey Scott, thanks for the fashion tip. We'll be looking out for the pencil skirt. As editors, we couldn't think of a better name. And we like your idea too, so we've instructed our photographers to include one in their upcoming shoots. – Ed.

ASS MAN OR LEG MAN?

Asses rule. There's nothing like pushin' the cushin' but when I saw your mag with the blonde chick Serena on the cover, I nearly creamed in my pants. Now I think I'm becoming a leg man. When I opened the mag and looked at her, and the other chicks in it, man was I blown away. Now I can't decide if I like legs or asses.

I'll tell you what I did like and that was picture of Serena on her knees with her ass in the air. I feel like I could grab her by the ankles and slip my dick into her pink pussy as she opens her pussy lips to make way for me. And there were a couple other shots that showed great legs and asses. Hey, maybe that's an idea for you. Why don't you do a mag called ASSES and LEGS or LEGS and ASSES. I'm sure you would double your readership. If you do, I want a cut.

– Sammy, Jacksonville

We have to admit, like the viewers, that legs and asses just go together like peanut butter and jelly. The legs start at the toes and end up at the butt. What a great trip up her anatomy that is. And it's nice between them, too.

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

MONIKA MAYHEM

I'M IN LOVE. And you guys are to blame. Damn is there anyone finer than Monika? If there is I haven't seen her yet. This girl is a stunner. She has a great body, great hair, great legs, great tan and one helluva beautiful pussy. In all my years of fucking, I've never seen one that delicious looking.

If she was my girl, I'd suck her toes every night. It would be all I could do because her pussy would be sore from all the fucking I would give her. I'd do her five – no – ten times a day. Something like this...

I'd come home for lunch from my job and she'd be ready for my cock, which would already be hard before I even got to the door. Then she would greet me on her knees and suck my dick while I ate the sandwich she prepared for me. Then she would stand up and turn around and bend over and I'd fuck her from behind while she grabbed onto her ankles. As I was ready to cum, she'd turn around and I'd cum on her boobs. Then go back to work. When I came home, she'd be laid out on the dining room table with a slice of pizza put into the V between her legs so I could eat the pizza and her at the same time. Then I would take a glass of wine and pour it down my cock as she drank from the tip and gave me a hummer at the same time.

Monika offers up herself for the fantasies of our readers. Do you ever wonder what she may be fantasizing about?

Then I would go to bed exhausted from work (and sex with her). In the middle of the night, she would wake me up, just a little, with her mouth around my dick and suck it until it got hard. She would suck on my balls while pumping my dick with her hands. Next she would sit on my dick in a reverse cowgirl so I could watch be beautiful butt and stick my finger in it. Finally, after I came once again, she would lick me dry and she'd fall asleep with my dick in her mouth. Now that's love.

– *Richard, Louisiana*

Damn Richard, that was our dream, too! – Ed.

LEGGY COMMENTARY

I'm a dance instructor in Chicago and I teach college students and soccer moms. I have some really attractive ladies in my classes and a few have been with me for a couple years. In that time they have developed some nice looking legs. Not the deeply muscular ones like professional dancers, but toned and firm. Well one of those was a soccer mom who was only six months divorced. She was a hard worker and we had become friends during classes. One day she was finishing up and getting her gym bag when your magazine fell out of it. I was standing nearby collecting the towels when I saw it fall and picked it up for her.

She seemed a little embarrassed, but I handed it back to her with a joking – "Reading material for the train?" We both laughed and she explained it was with some of the stuff her ex left behind and she had looked at it and kinda liked it. She said she liked looking at the girls legs. I told her she had great legs and she that she worked hard for them. Apparently that wasn't good enough and opened the magazine to show me a blonde girl with, admittedly, great legs. "That's what I want mine to look like." she said. I told her she was almost there and a bit more work and she could have legs like that. She smiled and thanked me.

We sat on a workout bench and looked at the rest of the magazine together for another hour. She commented on every picture about every girl. She talked bout their legs, of course, but also about their hair, their makeup, the angles they were shot at, their pussies and their asses. We spent a lot of time looking at and commenting on legs, but it was fun and she seemed to get off on talking about them.

We didn't do anything more that day, nor any other since. She comes in as her schedule allows and now seems to work even harder for great legs. All thanks to your magazine.

– *Simon, Chicago*

Ashley LAUREN

Petite and passionate, Ashley is like a real-life Barbie-doll with all the warm moist parts Barbie doesn't have. Do you have what it takes to be her Ken?

I love to have my pussy licked but I think a lot of guys don't really know what they are doing down there. There's a lot of fumbling and sometimes they lick and suck too hard. When I find a good one, I like to keep him around for while.
